

tapkey

# Tapkey App Price Information

- Regardless of the number of locking cylinders, up to 5 smartphone users can be activated in the system free of charge. Any smartphone user can be authorised to access up to all locking devices in the system.
- For more than 5 users we offer package prices. The number of transponders is not limited in the free version.

	Number of Included Smartphone Users	Recurring Fee per Year
FREE	Up to 5	FREE*
S	Up to 25	49,00 €*
M	Up to 100	149,00 €*
L	Up to 250	299,00 €*
XL	More than 250	Custom packages offered by Tapkey (including additional discounts for a multi-year prepayment)

\*All prices include VAT.

The Tapkey app is only available from the Google Play Store and the Apple App Store.

The app is not available from DOM Sicherheitstechnik GmbH & Co. KG to purchase.

Legally responsible is the manufacturer and distributor Tapkey (Tapkey GmbH, Wickenburggasse 26/2, 1080 Vienna, Austria).

Any costs charged by Tapkey resulting from a chargeable use of Tapkey APP will be charged via your IN-APP/App Store account.

We reserve the right to make changes to our products and changes due to technical development for the services of the APP packages.
