Sfpi Group recreates its DOM division

Following the merger between DOM SECURITY and GROUPE SFPI, which took place on 16 November 2018, all the companies at the DOM SECURITY pole were directly owned by GROUPE SFPI.

In order to restore coherence in the Group's general organisation, GROUPE SFPI decided, as it had already announced, to recreate the DOM pole by bringing the shares received from the merger-absorption of DOM SECURITY SA to the company DOM Participations SAS now renamed DOM Security SAS which it now owns 100%.

This operation was carried out on 19 December.
